JERUSALEM PROJECT: CHESNEE**

Jerusalem Project is designed as a local mission effort to help those on our "Jerusalem" that may not be able to help themselves (whether physically or financially). However, in serving others, we are teaching our students and adults that we, as individual churches, can and should work together for the cause of Christ. July 25-29, 2022 Please contact us if you need help <http://www.applforjp.com>
